

Northwest Families for Life Prayer of Intention

Almighty Father, Giver of all life,

We ask that Your hand of love and protection would be over all of us and especially those that we try to aid and protect in Your name.

Help us speak with your Spirit, your words of Life, unto all we encounter. Please Lord Jesus, let them see Your love shining through us.

Protect us with the full armor of God that we and our families and especially Your children, are protected by You from the schemes of the devil.

We pray for the mothers, we pray for the babies, that you would have a divine encounter with them and fill them with Your presence and love.

We pray for all those who work at the clinics. We ask, Lord Jesus, that You open their hearts to Your love and their eyes to life within the womb.

"For I know the **plans** I have for you," declares the LORD, "**plans** to prosper you and not to harm you, **plans** to give you hope and a **future**."

We pray for the **future** of Your children.

Come, Holy Spirit, Come!

Light your fire inside us that we may be emboldened to do Your will by protecting the unborn, offering help to women, and praying for an end to abortion.

Amen
